## TONTO NATIONAL FOREST

Right at Apache Junction's doorstep is the Tonto National Forest. Miles and miles of trails snake through this magnificent 3 million acre forest.

It's said that the mysterious Superstition Mountains are the second most photographed and painted natural landscapes in Arizona after the Grand Canyon....

"The Apache Trail combines the grandeur of the Alps, the glory of the Rockies, the magnificence of the Grand Canyon and then adds the indefinable something that none of the others have."

President Theodore Roosevelt

- Lost Dutchman State Park
- Goldfield Ghost Town
- Superstition Mountain Museum
- Apache Junction

This is the place to experience Arizona's world renowned climate. Apache Junction has it all...
